

WELLSTONE WEEK

their legacy in action
october 26-november 7, 2009

Paul Wellstone was a U.S. Senator, a Carleton professor, and a community organizer. Sheila Wellstone was an advocate against domestic abuse and a devoted mother.

Just before Paul's re-election in 2002, Paul, Sheila, their daughter Marcia, and their campaign staff were tragically killed in a plane crash in Northern Minnesota.

We take these days to commemorate the anniversary of their deaths, to celebrate their lives, and to put their legacy into action.
