

Amerman Pavilion at Spring Creek Fields

Marketing & Fundraising Opportunity
February 2006

What is the project?

- ❑ A Pavilion at the Spring Creek Fields south of Jefferson Parkway
- ❑ Approximately 40 X 80 shelter & storage facility
- ❑ Additional patio connecting it to the Accessible Playground
- ❑ Safe place for gathering under sudden lightning or other severe weather conditions
- ❑ Family friendly environment for gatherings

Other Information

- ❑ Structure planned by development group led by The Northfield Rotary Club and the Northfield Soccer Association
- ❑ Once Completed, the facility will be owned & operated by the City of Northfield
- ❑ Development Group has worked with the City Officials and some of the primary expected users to design its plans

Other Information

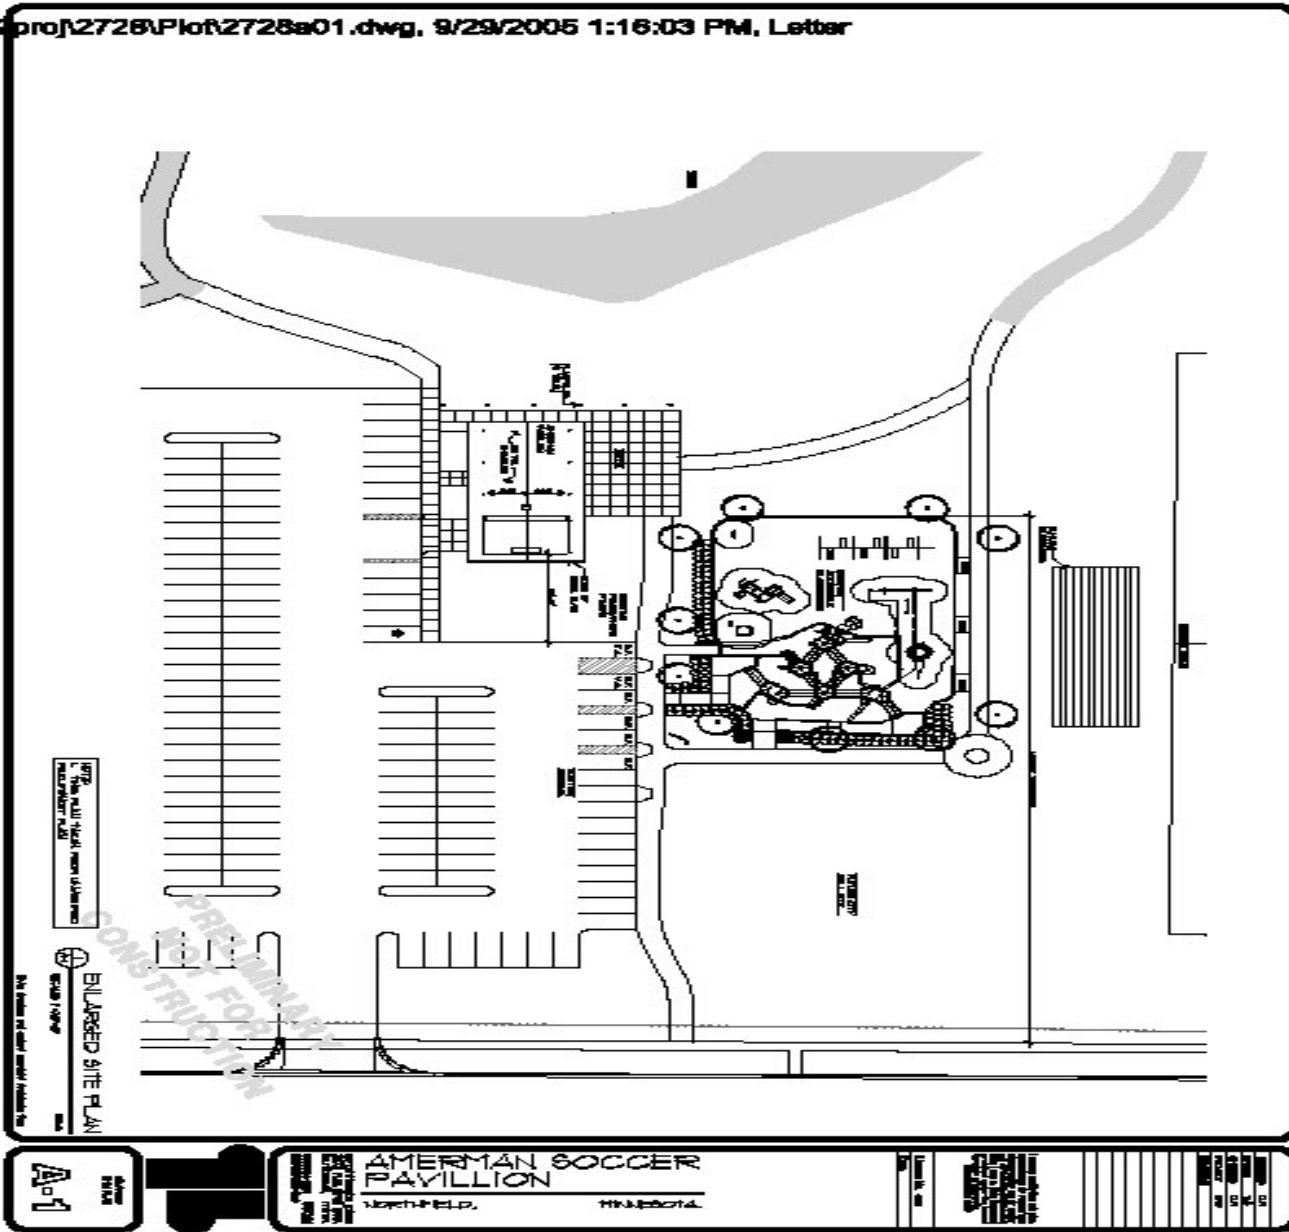

- ❑ Named in honor of **Jeff Amerman** - beloved coach of youth soccer teams who gave countless hours toward youth soccer and was instrumental in the design and construction of Spring Creek Fields
- ❑ Architectural work provided by Dave Medin of Architect's Plus (where Jeff Amerman was also an architect)
- ❑ Project Management led by ***Northfield Construction Company***

Why is it needed?

- ❑ This past Summer over **900 local kids** used the soccer fields at Spring Creek – In addition, these fields are used by the **Latin American Soccer League** and serve over 250 players & families
 - This means 1 out of every 11 Northfielders used the facilities (not counting their parents!)
- ❑ Also, the fields at Spring Creek are a destination for thousands of kids and families from around the State
- ❑ Minnesota is known for sudden changes in its weather & hot Summer sun
- ❑ Conveniently adjacent to Accessible Playground
- ❑ Attractive amenity for people moving to our community – will be used for family gatherings

Where would it be located?

- ❑ Just adjacent to the new Accessible Playground and west of the parking lot
- ❑ See the attached layouts for dimensions & renderings
- ❑ We will have a highly visible Donor recognition plaque on interior wall of the shelter

What will it cost & how much is already raised?

- ❑ Approximately \$136,000 total cost
- ❑ Raised \$65,000 with another \$25,000 from City = total \$90,000 (with \$30,000 in cash)
- ❑ **Need \$46,000 gap filled**
- ❑ Hoping for \$16,000 from individual families and \$30,000 from business community
- ❑ Also have received donated labor from many professional trades people in our area to accomplish the project
