IMPORTANT FACT: This 4th of July Celebration is only possible through generous contributions and volunteer efforts of individuals and businesses. **Fireworks, logistics and entertainment are not part of the City budget**, though the City is a generous supporter. For the past four years, the Northfield Historical Society has taken on this monumental task, and the fundraising to pay for it. This year, though, **we've fallen short**. The NHS Board of Directors decided, though, that the show must go on! Show your support – make a donation – offer to volunteer! Everyone and every dollar counts! And consider, too, becoming a member of the Northfield Historical Society – history **IS** alive in Northfield – and it's a lot of fun! Call 645-9268 or go to www.northfieldhistory.org.
